Dear Carol

THANK YOU!

Please accept my sincere thanks for your contribution to the great success of our 2010 Annual Conference in Hawaii this March.

We've received many, many positive comments about this year's event both verbally and via the formal evaluation forms completed by delegates. Much of the credit for this success is due to the range and calibre of topics that were offered and the individual contribution of our presenters. Your part in this success as one of the presenters is deeply appreciated.

We are still collating the formal evaluations and once this is completed, we'll send you a summary.

Once again, thank you for your contribution and I look forward to your involvement in future PIS Group conferences.

Yours sincerely

Robbie Bennetts
